Are you WASTING 25% of your feed money?

Can you see undigested feed in your cows' droppings?

Here's how to save wasting as much as a pickup load of feed for every 50 cows every winter month. Ruminate boosts the rumen! This means your cows will get more nutrition out of the tough, fibrous roughage they eat. Digest more and waste less. Ordinary supplements and cakes just don't do this. Cattlemen feeding for maximum reproductive performance have proved to themselves Ruminate costs less per cow to feed.

You can see the difference when you feed.

Chaparrosa Santa Gertrudis, Quarter Horse Sale Nov. 10

LaPray, Texas — The 6th Annual Cowman's Choice Sale will be held at Chaparrosa Ranch Nov. 10 with more than 600 head of cattle and horses making up the offering. The sale includes 100 purebred certified breeding age Santa Gertrudis bulls, the largest number to be offered at public auction by an individual breeder. Chaparrosa Ranch is owned by Mr. and Mrs. Helton K. Johnson of San Antonio, Texas, pioneer breeders of Santa Gertrudis cattle who have extensive ranching interests in Texas and California. In addition to the bulls, 100 pure-

bred Santa Gertrudis females, 50 crossbred heifers and six registered Quarter Horses will be sold. A special feature of the sale will be a "free delivery" of the animals. Chaparrosa Ranch will deliver the animals to the ranch of the buyer, or to a central convenient location. In the case of foreign buyers, animals will be delivered to the nearest export point. An added feature this year will be an offering of 25 purebred show quality weanling heifer calves expected to attract the interest of youth for 4H and FFA projects. This is in addition to 74 certified Santa Gertrudis heifers and a calf to Santa Gertrudis bulls. The crossbred offering will consist of heifers safe in calf to Santa Gertrudis bulls as well as a selection of open heifers. The Quarter Horse offering will include two fillies, three geldings and one stallion, all sired by the stallion Texas Pan, Jr. The activities begin Sunday, Nov. 9, when the animals are available for inspection at the ranch. That evening the Ranch will host a cocktail buffet at the Urvik Country Club. On sale day, Chaparrosa cowboys demonstrate the "formando" with the ranch zarzuela. Lunch is served at 11:30 and the sale begins at 12:30. For a sale catalog and additional information, write to Chaparrosa Ranch, Box 489, LaPray, Texas 78972 or call (512) 860-4432.

77 Ranch Angus Performance Tested Bull Sale Nov. 29

Wichita Falls — George Graham, owner, and Louis Hartman, manager, will host the Seventy Seven Ranch's 20th annual performance tested Angus bull sale on Saturday, Nov. 29, beginning at 12:30 p.m. at the ranch near Wichita Falls. Phil Ljungdahl of Dodge City, Kan., will manage and Ray Sims and John Brenlon will be auctioneers for the sale.

Selling in the very comfortable heated sale barn will be 100 big rugged performance tested bulls, everyone of which is ready for service.

Graham said, "for 30 years we have been developing a cow herd of top performance females. There are more than 600 cows that have been selected for outstanding weaning weights and performance, sired by top performing bulls we had produced or purchased, or from A. I. use. Only these top producers are a part of the 77 Ranch herd today. These cows are the mothers of the bulls that sell."

Pedigrees of the bulls carry "Big George," Chlooman, Pedigree, Aristocrat, Edictor, Marshall, Rite, Emulous and other leading Angus names. All the bulls are fertility tested and ready for service.

For further information contact Phil Ljungdahl, Sale Manager, Box 1200, Dodge City, Kansas 67801, phone 810/227-2736; or George Graham, owner, Seventy Seven Ranch, 400 First Wichita National Building, Wichita Falls, Texas, phone 817/822-8924 at the office, 817/767-9938 residence, or Louis Hartman, ranch manager, 817/706-2011.

Kansas Range Sales

Dodge City, Oct. 30 (USDA) — Country trade slow on light supplies of yearlings, moderately active on calves. Few sales feeder steers steady to 1.50 lower and feeder heifers steady. Calves generally 1.00-2.50 lower, mostly decline on moderately fleshy offerings.

Supplies mainly calves at present. Sales continued this week on 2450 steers including 1550 calves and 2050 heifers including 1000 calves. Sales for immediate delivery. Feeder steers: medium frame No 1 700-800 lb 71.00-73.00 early. Calves: medium frame No 1 400-475 lb green 69.00-75.00, moderately fleshy 67.50-69.00.

tried to influence our elections, and in most cases they have failed miserably. For instance, there are those who see that Chinese Grain deal as an effort to help Carter, since Reagan had expressed some admiration for Taiwan. It's been tried before, but furin efforts take a back seat to the Pocketbook issues in these national elections every time.

It is time now for you & me to just bow our necks and lean into the harness a little harder, since the percentage of us who will actually get any material help out of the Communist is gonna be small, whoever wins it.

We need to attend some very lively portion with our friends at a very lively hostess' home. As the party was broken up she always flagged some of us of reproaches to stick around. At last she'd close the door and tell us all, "Come on back to the kitchen. The company is all gone, and we can settle down to steady drinkin'." We might just try that one on for size this evenin'. We may need it!

Ever thine,
The Editor.

P.S.: Uncle Dunk has been sayin' for some days now that we are all in for a Big Surprise. This election ain't gonna be near as close as the experts have been sayin'! — Thassal, Brothers!

Brangus Bulls Make The Grade

NEW USDA GRADES

For the 80's, the USDA has modified their beef grading standards. Under the new system, Brangus Breeds Profit like never before. Brangus bulls consistently outperform other breeds in meeting USDA's superior performance criteria. They have the ability to grade with less finish, and packers prefer their high-yielding carcasses.

You'll also like their temperament, disease-resistant nature and drive. And, Black Brangus Crossbred calves make good herd replacements for older females.

Isn't it time for you to produce medium to large frame numbers 1 and 2 cattle? Make it Brangus — the Bull for All Reasons.

A Generation Turnover

The Guaranteed Dispersal of the Entire Cowherd
Born 1977 or Before

Monday and Tuesday, November 24 & 25
The Lake Ranch Headquarters, Gonzales, Texas
Sale Time 10:00 A.M. Both Days

We are retaining our 1978 and '79 Heifer crops and a portion of our 1980 heifer calves — every other female will be sold and guaranteed under our customary warranty.

700 LOTS

450 Purebred Cows . . . These are our collector's items. The cows that have produced for us consistently year-after-year . . . the cows we've never considered selling, as well as a superior group of 1977 cows that may well be better than all the rest.

200 Second Cross Beefmaster Cows . . . By virtue of their stage of up breeding, we've naturally culled this group of females harder over the years than any other group. They're truly a superior set of producing females . . . they had to be or they wouldn't still be in the program.

50 Herd Bulls and Herd Bull Prospects . . . Over the past few years, the cows that weren't in our A-1 Program have been bred to the mature bulls in this group . . . the younger bulls are our keepers out of this year's crop, slated for service in our program next year.

As a part of this outstanding offering Harrell Cattle Company and Singer Beefmaster are proud to offer a 1/4 interest in "The Changer" — **The Herd Bull Battery** . . . The bull of the 1980's.

Many of the cows in the offering carry the get and service of the breed's top name herd bulls

**"THE CHANGER" • SHOWBOY • CHECKMATE • CRIMSON WARRIOR
OUTLAW • D3 • SHOWBOY 4 • ROBERT E. LEE • PERFECTOR**

No breeding females will be sold out of the herd prior to the sale.

This, in our opinion, could very well be the greatest set of breeding cattle ever offered in a single sale in the history of the cattle business. They've done a superior job for us and if our circumstances didn't dictate a dramatic change in our operation, we certainly wouldn't sell them. We believe they'll do just as good a job for producers across the breed as they've done for us.

BEEFMASTER BREEDERS UNIVERSAL NEWS

Beefmaster Breeders Universal Holds 20th Annual Convention

The 20th Annual Beefmaster Breeders Universal Convention was held October 8-10, 1980. A crowd of over 300 members from thirteen states attended the three days of activities.

Hens R. Wittenburg, Edna, Tex., president of the 1,350 member organization, presided over the meetings. New directors elected at the general assembly were: Fred Brauchle, Charlotte, Tex.; Benner Leo, Pavo, Ga.; George Simmons, Charleston, Mo.; and Russell Stone, Marlow, Okla.

Outgoing directors included: Bob Bruns, Coldwater, Kan.; Leo Jasik, Pleasanton, Tex.; Mickey R. Johnson, Comanche, Okla.; and William Whitworth, Pulaaki, Tenn. Plaques were awarded for their dedicated service to BBU over the past three years at the awards banquet held on Thursday.

Richard Bulling, La Ward, Tex., was the recipient of the prestigious BBU Brooder of the Year Award. He received his plaque during the awards banquet from executive vice-president Gene Kuykendall.

Cheri Dee Wheeler, Three Rivers, Tex., was crowned 1980 BBU Queen during festivities. She assumes the reign from Susan Moore, George West, Tex. Runner-up was Linda Salazar of Kingsville, Tex.

The convention concluded with BBU Expo '80. A collection of Superior Beefmaster herd sires and their progeny. The event was held Friday, October 10th at the Louisiana State Fairgrounds. Thirty-four breeders exhibited cattle.

Box J Beefmaster Sale Set Nov. 16 At Sulphur Springs

Sulphur Springs — Jay Ghester & Son will conduct the Box J Beefmaster sale in the Regional Livestock Center in Sulphur Springs on Sunday, Nov. 16, with lunch served at noon and the sale beginning at 1 p.m.

Selling will be 100 Beefmasters including pairs, many of the cows rebred; other great bred females; open heifers ready to breed; and several top herd bulls and herd bull prospects.

Guest consignors will be Jim Poca's Pace Place Beefmasters at Buffalo.

Sole headquarters will be the Ramada Inn at Sulphur Springs. A pre-sale party will be held Saturday evening, Nov. 15.

For information contact Jay Ghester, P. O. Box 95, Sulphur Springs, Tex., phone 214/895-6557; or the auctioneers and sale managers, Ruben Reyes and Anthony Mihalaki, 118 West Nakoma, San Antonio, Texas 78216, phone 512/349-2186.

Beefmaster Bulls Top Averages At Western Stockman Bull Sale

Bakersfield, CA — Beefmaster bulls topped the average of the 15th Annual Western Stockman All Breed Bull Sale for the second consecutive year here October 11, 1980. Herrell Cattle Company, Gonzales, Texas, consigned the commercial bulls which averaged \$1,811. The overall average for the seventeen breeds was \$1,502.

The top selling Beefmaster bull sold for \$2,850. Among the nine buyers purchasing the bulls were repeat buyers from previous years. A selling committee and a panel of 16 ranchers from California graded the bulls prior to the sale. A grade of 87 or better was necessary for admission to the sale. Out of 499 consignments, 371 were accepted.

The champion Beefmaster bull graded 89.3, the third highest score among the champions of the breeds. The overall average grade of Beefmaster bulls was 88.3.

Wallace and Maurice Harrell, owners of Harrell Cattle Company, feel the sale results are indicative of the rising demand for Beefmaster bulls in California and other western states. The Harrells are members of Beefmaster Breeders Universal.

Thompson Beefmaster Sale Set Nov. 7

McNeill, Miss. — Gene Thompson's Rocking T Bar ranch has set its third annual Beefmaster production sale, November 7, 1980. The sale will be held at Thompson's headquarters near McNeill, MS.

Established as one of the leading Beefmaster sales of the year, the Gene Thompson sale will feature both a purebred seedstock and commercial bull sale. The seedstock sale will start at 10:00 A.M., to be followed by lunch at the sale site. The commercial sale will start at 2:00 P.M.

The sale will include about 100 young herd sire prospects and commercial bulls and 50 females representing three-in-ones, pairs, brood and open heifers. Several animals carrying the breeding or service of Thompson's great senior herd sires, "Ranger" and "Levi", will sell. A special consignment from Banner Lee, Jr., Pavo, Georgia, previous owner of "Levi", will also sell. The Lee consignment includes an outstanding Circle Dot cow and her yearling "Levi" bull calf. The cow will have another "Levi" calf at side by sale time.

Thompson, whose cow herd is one of the most respected in the breed, will present an outstanding set of young bulls in the sale. The 100 bull offering includes some of "Ranger", "Crimson Warrior", "Ben", "Outlaw", and "Checkmate". Several solid herd sire prospects will sell.

Cattle will be available for inspection on Thursday, November 6, from 11:00

Harrell To Disperse Producing Beefmasters In Sale Nov. 24-25

Gonzales, Texas — Harrell Cattle Company has announced that its Beefmaster producing cowherd will be dispersed in a two-day sale, Monday and Tuesday, November 24 and 25 at the Lake Runn headquarters at Gonzales.

The announcement said, "A dramatic change in our operation has dictated a large reduction in numbers of producing cows. . . we have determined that our best course of action is in the immediate dispersal of all cows in our herd born in 1977 or before. We are keeping our 1978 and 1979 heifer crops until a number of 1980 heifer calves. . . we are not bringing out of the Beefmaster business by any means."

"We are offering 700 lots of Beefmaster cattle. . . 450 Purebred Cows, many with calves at side and bred back to the top sire in the breed; 200 Second Cross Cows, many with purebred calves at side and bred back to the same top sire bulls; 50 Beefmaster Herd Sires and Herd Sire Prospects, bulls that have been in service in the Harrell program or our selection for use in our program next year."

No breeding females will be sold out of this herd prior to the sale. Also selling will be a one-third interest in "The Chigger" bull.

The sale will be conducted by Auctioneer Gerald Bowie of West Point, Ga., and Ruben Reyes and Anthony Mihalaki of San Antonio, auctioneers and sale managers.

For further information on this sale, contact: Harrell Cattle Co., Gonzales, Texas 78020, phone 512/828-1680.

Fields of animal breeding and embryo transfer. The program also included a video tape presentation of the embryo transfer procedure and a question and answer period.

Fall Feeder Supply Hits Stride, Most Prices Are Lower

St. Joseph, Oct 31 (USDA) — National feeder cattle and calf receipts this week totaled 25,000 head, yearling calves 13,000 head. Liberal fall movement of feeder cattle met with lower prices across the nation. Lower slaughter cattle prices, higher feed costs, higher interest rates combined with gloomy economic reports all factors dampening demand for feeders. According to the USDA Livestock Market News Service, prices for feeders generally 1.00-3.00 lower, instances 4.00-8.00 off.

The only exceptions were in Iowa where steer calves and yearling heifers moved steady to 2.00 higher and 775-825 lb in California 1.00-1.50 higher.

PASTURE BURNT? DRY?
THE ANSWER TO PASTURE TROUBLES

CORSICANA PASTURE RENOVATOR
Renovates, aerates, and moisturizes to slow increased yield. Silos dormant roots, allowing rain water to seep down and produce MORE GRASS — MORE BEEF to the ACRE.

Gain hay and grass production increases of 3 to 4 fold. Minimizes Hay and Feed costs, while depending less on mother nature.

Crop, Livestock Reports From Farmers, Rancher Are Vital For All

(CONT. FROM PAGE 1)
and interviews provides the basis for determining the final acreage, yield, and production of crops and end-of-the-year livestock and poultry numbers for the state of Texas and for each county. All of the estimates published by the Texas Crop and Livestock Reporting Service are based on the data provided by Texas farmers and ranchers, County Extension Agents, ASCS offices, and many others in agriculture. This cooperation provides the necessary data which is, in turn, returned to farmers and ranchers and others in the form of accurate estimates, which are so essential in making the wisest production and marketing decisions. Accurate estimates are also essential to farm organizations and legislators in promoting, planning, and enacting wise legislation and are used in establishing acreage and payment levels to producers under the various commodity programs.

The collection and publication of agricultural statistics are a cooperative effort between the Texas Department of Agriculture and USDA. This cooperation avoids duplication of effort, promotes economies, and increases the effectiveness of statistical reports. All individual farm and ranch information is kept confidential, and only state and county summaries become part of the final published estimates. County estimates for 1979 and January 1, 1980, are available on Livestock, Poultry, Dairy, Field Crops, Small Grains, Cotton, Vegetables, Fruits and Pecans, and Cash Receipts from the Sale of Texas Farm Commodities. Bulletin can be obtained from the Texas Crop and Livestock Reporting Service, P. O. Box 70, Austin, Texas 78787, or by writing Reagan V. Brown, Commissioner of Agriculture, P. O. Box 12947, Capitol Station, Austin, Texas 78711.

Farm Income Prospects To Improve In 1981

(CONT. FROM PAGE 1)
agricultural income picture in 1981," believes Dr. Carl Anderson, economist in marketing with the Texas Agricultural Extension Service, Texas A&M University System. Crop producers will likely fair much better in 1981 because of this year's short crop and a rise in prices. And, with meat supplies expected to slip under year-earlier levels, prospects look somewhat better for livestock producers as well.

Although production expenses will rise, price increases are not expected to be as sharp as in 1980, says Anderson. During the past 12 months, fertilizer prices jumped 28 percent, fuel and energy prices and interest rates climbed 26 percent, and agricultural chemicals rose 21 percent.

"Texas agriculture suffered considerably from the extended dry, hot weather during late spring and summer. Dryland farmers, cow-calf operators and poultry producers experienced big setbacks. Irrigated crops were even stunted by the late and protracted hot wave," notes Anderson. Despite the steep drop in crop production, cash receipts for 1980 are estimated by Extension specialists to total only a little less than in 1979. Crop inventories carried over from the bumper 1979 harvest and price increases for many commodities have helped maintain sales close to last year's level.

Livestock sales sagged a little as lower cattle and hog receipts more than offset increased sales of poultry and milk. While overall agricultural receipts won't be down too much from last year, net income will be off sharply due to rising costs of running a farm or ranch, says Anderson.

And, to make matters worse, the purchasing power of income has been further reduced by this year's double-digit inflation. "Declining farm income is also hurting businesses serving agricultural producers. As farmers and ranchers tighten their belts, they will be buying less production and consumption goods and services," notes the economist.

Refundable Certificates Studied by CME

(CONT. FROM PAGE 1)
tificate concept, the first to the future industry, earlier this year. To date delivery certificates are issued on the CME Broker and Egg futures contracts and have been termed an industry success. In theory the cattle delivery certificate would be similar to the egg and broiler delivery certificate process which enables the buyer of a futures contract to retender the contract and decline taking physical delivery of the product. On receiving a delivery certificate, the buyer can take a short position in the future market and retender the certificate at a nominal discount. If the certificate is not retendered, the buyer is obligated to accept delivery. Provisions of the tentative contract also allow a buyer of futures contracts who desires actual delivery of the product to issue a "demand notice" for delivery certificates that are retendered. As for a final drafting of a Certificate of Delivery Program for live cattle, Stevens said, "We are still in the preliminary stages of development. A number of refinements suggested by various segments of the industry will remain the certificate study to the Exchange subcommittee responsible for its inception. It is hoped a final version will be ready in the near future." Stevens comment came at the conclusion of a recent two day meeting of the CME Livestock Advisory Committee, comprised of livestock experts from across the United States and CME officials.

already feeling better time with recent sales figures running three to four percent above a year ago at this time. One of the more noticeable developments in the late electioneering campaign was a rumor widely circulated in Texas that if the Democrats were victorious they would forgive all the Small Business Administration disaster loans to farmers and ranchers. SBA officials have been shouting this is not so, but the rumor is still flying as the polls opened. Since June 1 in the face of the world situation on supply and demand prices of soybeans have climbed 47% and corn rose 37% and wheat went up 34%.

U.S. Farm Exports Cut Trade Surplus
(CONT. FROM PAGE 1)
American Farm Bureau Federation, said the farm trade surplus of about 22 billion dollars will cut the projected total U.S. trade deficit from 46 billion dollars to an estimated 23 billion dollars. "Agriculture's trade surplus is the largest single factor in keeping what strength remains in the American dollar," Delano said. The farm leader pointed out that there are now 10 nations that buy more than one billion dollars worth of agricultural commodities from the U.S. each year. Japan heads the list, buying more than five billion dollars worth of U.S. farm products annually. Two billion dollar customers for American agricultural commodities include the Netherlands and the USSR with both Mexico and Maloland China expected in the two billion dollar bracket this year. One billion dollar customers for America's farm production include West Germany, United Kingdom, South Korea, Taiwan and Canada. Referring to Florida producer concern about excessive fresh winter vegetables imported into the U.S. from Mexico at prices considered less than fair value, Delano said the federation is seeking a full review of the situation. "There is a world of difference between outright dumping of commodities versus the close competition of imports under rules we all agree to follow through the trade negotiation process," Delano said.

ROBERT L. BASHAM
Bob Basham Named Southwest COBA Area Sales Representative

COBASelect Sires, Inc. is pleased to announce the appointment of Robert L. Basham, Jr. to the position of Field Representative to serve the north-central Texas and south Oklahoma area. Basham is no stranger to the organization or the A.I. industry. He came up through the ranks at COBA beginning as a relief technician and spent time working with the bulls in the Custom semen department. He was later promoted to resident technician at Highland County in Ohio. For the past three years Basham served as a sales representative for southwestern Ohio.

Not only does Bob have intense interest in dairy cattle, he is very knowledgeable concerning beef. As a representative in Ohio, Basham worked very closely with COBA's beef A.I. program. In addition to his experience with COBA, Basham has made several trips to Europe to study best operation there. Principally, in his travels, he spent time in Switzerland observing slaughter operations in the foothills of the Alps and attending their major seminars. His travels also included France, Germany and Italy where he observed many of what is commonly known as our exotic breeds of cattle.

Bob Basham assumed his new responsibilities on September 1, 1980. He resides at 1432 N. Dale Avenue, Stephenville, Texas 76401 and will serve the territory from his home base.

Herefords Compete For \$100,000 at Denver, Special Steer Show

Kansas City — A number of special activities will take place at the 1981 National Western Stock Show in Denver in January of special interest to Hereford breeders. The Hereford activities will celebrate the centennial year for the American Hereford Association and exhibitors will be competing for

Greg Friedman, Natchitoches, La., was exhibitor of the reserve grand champion steer of the Louisiana State Fair recently. His steer earlier had been named champion Hereford coming from the heavyweight class. He was bred on the Friedman-owned Lone Star Hereford Ranch, Henrietta, Tex., and was sired by SB Domino 427. The 1,281 pound steer sold for \$10,088. Shown with the winning steer, left to right, are: Vernon McCain, Iowa, Louisiana Hereford Association president; Donns Denison, Iowa, Louisiana Hereford Queen; and at the halter is the proud owner, Greg Friedman. Prize money in the various Hereford competitions.

One special activity will be a division of the steer show open only to Hereford entries.

Other official rules for the National Western Stock Show's steer competition will be in effect for the Herefords. The steers must be nominated by August 1 and each steer must have a nose print. The information is available from the National Western Stock Show, 215 East 40th Avenue, Denver, Colorado, 80216.

All steers entered in the competition must be sold through the National Western Stock Show at the conclusion of the judging and carcass information will be obtained from the five top-placing animals in each class.

Greater Hill Country Herefords Set Records

Fredericksburg — The Greater Hill Country Hereford Association set a new record Oct. 22 when sales reached a total of \$176,435. Bert Reyes of San Antonio, the auctioneer, called it the best Hereford consignment sale held in Texas this year. Seventy-eight registered Hereford bulls went for \$153,325 to average \$1,954; and 24 female lots grossed \$23,110 for an average of \$962.

Dr. L. D. Wythe, Jr., of Texas A&M University, who placed the cattle prior to the sale, chose as champion bull one consigned by Triple H Ranch of Fredericksburg. The March 2-year-old sold for \$3,350 to J. D. White of Freer. Reserve champion bull was consigned by Mrs. F. Lee of Willow City and sold for \$2,700 to Holmes Ranch of Milano.

Tri-State Fair Hereford Show

Amarillo — A good crowd of some 7,000 people attended the 1980 Tri-State Fair Hereford Show. (CONT. ON PAGE 19)

Volume buyers of bulls were: Gerald Lindholm of George West, 11 for \$20,150; Holmes Ranch of Milano, 2 for \$17,100; Halie D. Day of Pearland, 2 for \$9,900; J. D. White of Freer 4 for \$12,750; M. L. Cattle Co. of Fannin, 3 for \$5,000; E. W. Hesse of Llano, 2 for \$5,200; and James Johnston of Pearland, 2 for \$5,500.

Volume buyers of females included Arthur Clark of Mullin, four head for \$4,800; A. F. Bule of Llano, four head for \$3,380; Charles Knibbe of Spring Branch, three head for \$2,775; and Little Co. of Llano, 11 head for \$8,195.

Roy Weinheimer of Stenwall, association president, said the sale seemed to be just what the buyers were looking for, and for the last few sales this one has been recognized as one of breed strength and quality.

DRINKING TANK PROBLEM SOLVED
As well as all reservoirs and spray tank. Lifetime Tank Coatings for steel plate tanks, corrugated galvanized iron tanks, and rock and concrete tanks. Thousands of these tanks of assorted sizes have been restored to be better than a new tank, not coated. Over 30 million pounds now in service since 1958. Stop all leaks, any size hole or crack. Prevent rust forever. A new tank property coated will not be replaced in a lifetime. Anyone can apply by brush. Not a paint, the only material known that prevents seepage in basement walls. Twice the hardness of concrete. Write or call for our catalog. All orders shipped same day received. This is our 30th year.

We like 'em GENTLE

We don't want any of those "fence climbing run aways," in fact nobody does... that's why we won't have one on the place and we make sure you don't end up with one when you come to Santa Elena.

Next "Top Dollar" Sale Nov. 20 At Fr. Worth Stockyards

Fort Worth—The seventh sale in
the 1980 "Top Dollar" stocker-
feeder shows and sales at Fort
Worth Stockyards will be held
Nov. 20.
Packer cattle are welcomed, also,
at the sale, said Elmo Kilgus-
berg, president of the stockyards
company.
A popular feature of this year's
sales has been that consignors are
permitted to have up to 10 head
in the "ten" head class for judg-
ing, or any number from 20 on up
in the "twenty" head class.
The special sales begin at 10
a.m. on sale days, with odd lots
beginning at 9 a.m. in the regular
auction.
Trophies and ribbons are award-
ed for the first five places in
Hereford, Angus and Crossbred
classes.
Consignments to the "Top Dol-
lar" sales may be made by con-
tacting these commission firms:
Carson Commission Co., 817/824-

Maine-Anjou News From
Throughout North America
BY JOHN SCHUESSLER
Corresponding Secretary TM-AA

Texas Maine-Anjou Bull Sale Set Nov. 20 in San Angelo

San Angelo — The Texas Maine-Anjou Association annual bull sale will be held at Producers Livestock Auction Co. here on Thursday, Nov. 20, beginning at 1 p.m. The sale will be held in conjunction with the regular Thursday cattle sale of Producers.

Don Rhone of Coleman, president of Texas Maine-Anjou Assn., said 40 to 50 percentage bulls will sell. They will be breeding-age and ready to go to work.

The bulls will have all health papers and be fertility tested. "Last year we had several large commercial ranchers at the sale and some bought several bulls. We believe the interest in good Maine-Anjou bulls for use on commercial cattle is increasing," Rhone added.

AMAA National Show, Sale And Convention in Denver Jan. 15-16

Denver — The Third Annual Denver National Maine-Anjou bull show and sale will be at the National Western Stockshow here Jan. 15 and 16, 1981. The show will be at 2 p.m. Jan. 15, and the sale at 7 p.m. Jan. 16 at the Denver Stockman's Market.

Otto Streiberg of Canrose, Alberta, Canada, will manage the sale.

The 10th annual convention of the American Maine-Anjou Association will also be held at Denver beginning at 8 a.m. Jan. 16 in the Plaza Cosmopolitan Hotel. A breakfast and membership meeting will kick off convention activities. Nominees and winners of "Matinee Man of the Year" and "National Breeder Award," will be announced.

Jay, Bo Jones Top Junior Maine-Anjou Heifer Show At Waco

Waco — Jay Jones, Jr., and Bo Jones, both of Elm Mott, showed the grand champion and reserve champion heifers respectively in the Maine-Anjou Junior Heifer Show at the Heart of Texas Fair here recently.

In the junior heifer class for calves born Jan. 1, 1980 to May 30, 1980, Jamie Crow of Waco was first, and Benny Rogers of Waco, both second and third. In the summer yearling class for heifers born May 1, 1979 to April 30, 1980, Bo Jones was first. In the Junior Yearling class for heifer calves Jan. 1, 1978 to April 30, 1978, Jay Jones, Jr., was first and Benny Rogers second.
